Paris, Oct. 9.—The husba uthority is the home is threaten d in liberty-loving France.

A bill has been introduced in the senate repealing a clause of the civil code which asserted that the wife owes obsdience to her husband.

Senator Louis Martin, who we ed this clause wiped off the statute books, said the time had come when the husband should no longer be an "absolute monarch" but the household should become a "con-stitutional monarchy." Senator colin opposed the repeal on the ground that, unless there is a well defined head of the house the door would be open to bolshevism in the home. Action on the bill has been

AN AUXILIARY CARBURATOR... FITS ANY CAR.

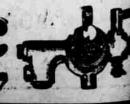

STEAM SAVES GASOLINE, ELIMINATES CARBON, DEVELOPS POWER

Steam is a known solvent for carbon. If you could get a certain amount of steam into your motor at all times you would never have carbon trop Ne. Live steam properly regulated to your motor is the only way to get results immediately. If our steam carburetor, which makes and regulates the amount of steam, is used, carbon can never form in the cylinder at any time. This feature alone is worth many dollars a year to you for it eliminates your motor's worst enemy, carbon, which alone causes over 60% of all motor troubles.

Here's our proposition. Put this money saver on your car. If it doesn't save 25 to 40% fuel, increase the efficiency, power, speed and smooth ness of your motor, keep the spark plugs clean and reduce carbon trouble, WE WILL REFUND YOUR MONEY:
